

*The 8th East Asia International Workshop*

## **Present Earth Surface Processes and Long-term Environmental Changes in East Asia**

*- Earth Surface Processes and Natural Hazards-*

October 10 (Mon) – 14 (Fri), 2011

Chengdu, China

### **FIRST CIRCULAR**

#### **Outline:**

The purpose of the East Asia International Workshop is to exchange present and long-term environmental information of East Asian region for clarifying environmental processes and changes in East Asia during the Quaternary. The East Asia International Workshop was initially held in Daejeon, Korea (2004), and was subsequently in Kanazawa, Japan (2005), Seoul, Korea (2006), Nanjing, China (2007), Hakodate, Japan (2008), Taipei, Taiwan (2009) and Jeju Island, Korea (2010). The 8<sup>th</sup> Workshop (2011) will be held in Chengdu, China.

#### **Main topics:**

1. Landscape evolution and natural hazards: earthquake, landslide, debris-flow
2. Global changes and regional environmental change
3. Present lake-catchment processes and lacustrine sediment chronology
4. Dynamics of terrestrial processes and land use changes
5. Paleoclimate modeling and forecasting environment changes
6. Ecological response to human activity and natural variation and their interactions

#### **Hosted by:**

State Key Laboratory of Geo-hazard Prevention (SKLGP), CDUT, Chengdu  
Institute of Mountain Hazards and Environment (IMHE), CAS, Chengdu

#### **Organized by:**

Chengdu University of Technology (CDUT), Chengdu, China  
Institute of Mountain Hazards and Environment (IMHE), CAS, Chengdu, China  
Nanjing Institute of Geography and Limnology, CAS (NIGLAS), China  
Kanazawa University, Japan  
Science Council of Japan (IAG com.)  
National Taiwan University, Taiwan  
Korea Institute of Geoscience and Mineral Resources (KIGAM), Korea  
Institute of Geology and Mineral Resources of the Mongolian Academy of Science, Mongolia

#### **Sponsored by:**

International Association of Geomorphologists  
Japanese Geomorphological Union

**Venue**

Chengdu University of Technology (CDUT), Chengdu, China

**Program (Tentative):**

Date	AM	PM	Evening
October 10	Arrival & Registration		Welcome Dinner
October 11	Opening Addresses Technical Session	Technical Session	Banquet
October 12	Technical Session	Sightseeing Tour	Local Special Food
October 13	Field Excursion		Farewell Dinner
October 14	Departure		

**Deadlines:**

Response form and abstract: August 20, 2011 (Email: sklgpgp@gmail.com)

**Language and format**

The workshop will include Oral, Poster sessions and a Field excursion. The official language for all presentations is English. Abstracts will be required from all participants wishing to submit a poster or oral presentation in the workshop. Abstracts must be written in Times New Roman 12 pt fonts and should include, in this order: Abstract title, Authors' names (first name family name), Affiliation (Institutions and address), First author's e-mail and Abstract text (less than 2000 words and figures: whole less than two pages).

**Fees:**

Registration: 1300CNY (200 USD)

(Including a volume of abstracts, welcome party, lunches on Oct. 11-13)

One-day excursion: 330CNY (50 USD)

Banquet: 200CNY (30 USD)

Accommodation: The 4 star Hotel of Chengdu University of Technology. Hotel reservation for participants will be done by the host according to the responses. Standard single room or double room may cost about 350-450CNY/day (55-70USD/day).

**Field Excursion: The epicenter of the Wenchuan earthquake and Dujiangyan ancient irrigation works**

The 8.0-Magnitude Wenchuan Earthquake on 12th May 2008 brought about heavy casualties and big economic losses. A field trip with academic exchange activities will visit the epicenter area of Yingxiu Town and the heavily damaged areas of Dujiangyan. Participants will observe large debris avalanches and landslides triggered by the earthquake and subsequent debris-flows. Along the way, you will visit Dujiangyan irrigation works, an ancient technological wonder of the country built in 250 B.C., which

is one of the World Cultural Heritage sites.

### Weather

October in Chengdu is the autumn season. Generally the weather is mild. The temperature will usually be 18- 24°C.

### Letters of invitation:

Participants who require letters of invitation, please contact to sklgpp@gmail.com.

### Response Form:

Please provide the following information to sklgpp@gmail.com before August 20, 2010 to help with relevant arrangements.

Position/Title: (Prof./Dr./Mr./Ms.)			
Last Name:		First Name:	
Country:		Passport number:	
Organization:			
Gender:	Male [ <input type="checkbox"/> ] or female [ <input type="checkbox"/> ]	Tel:	
		Fax:	
Email:		Presentation :	poster ? [ <input type="checkbox"/> ] or oral ? [ <input type="checkbox"/> ]
Presentation title:			
Accompanying Person Number:		Name:	
Activity Participation:	Will you attend the one day excursion? [ <input type="checkbox"/> ] the farewell party? [ <input type="checkbox"/> ]		
Hotel Accommodation:	Number of Single rooms ? [ <input type="checkbox"/> ] / Number of Twin rooms ? [ <input type="checkbox"/> ]		
Check in and Check-out:	Your Check in date ? [ <input type="checkbox"/> ] Check-out date ? [ <input type="checkbox"/> ]
