PAGES e-news, vol. 2013, no. 3

Dear e-news subscribers,

There's a lot going on in the months ahead ... below just a quick overview of some PAGES related upcoming events and deadlines.

Best wishes,

The PAGES IPO Team

CONTENTS

- ▶ Apply for meeting support
- ▶ What's on - upcoming PAGES supported meetings
- ▶ Deadlines for upcoming PAGES supported meetings
- ▶ OSM 2013 plenary talks now on YouTube
- ▶ PAGES and paleo sessions at the 2013 AGU Fall Meeting
- ▶ PAGES is now on Twitter

▶ APPLY FOR MEETING SUPPORT

We offer meeting support for three categories of workshops relevant to PAGES: 1) Official PAGES Working Groups, 2) Educational, and 3) Open Call workshops.

The next deadline for meeting support applications is **20 September 2013**. The guidelines are available at: <http://www.pages-igbp.org/my-pages/meeting-support>

▶ WHAT'S ON - UPCOMING PAGES SUPPORTED MEETINGS

JULY

Second workshop of the PAGES Sea Ice Proxy Working Group - From Proxies Towards Reconstructions
22-24 July 2013, Cambridge, UK

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/322-sea-ice>

Eastern African Quaternary Climate Change and Variability: A View from the Highlands
23-27 July 2013, Place: Nanyuki, Kenya

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/302-eastern-afr-quaternary>

AUGUST

Speleothen Summer School

28-2 August 2013, Heidelberg, Germany

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/288-speleothen-summer-school>

Latin American Abrupt Climate Changes and Environmental Responses - LaACER II workshop
4-8 August 2013, Natal, Brazil

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/324-abrupt-climate-changes>

Polar Marine Diatom Taxonomy and Ecology Workshop

4-9 August 2013, Cardiff, UK

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/327-polar-diatoms>

Quaternary Palaeoecology: Reconstructing Past Environments

19-30 August 2013, Jujuy, Argentina

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/319-quetarnary-palaeoecology>

Open Science Conference on Isotopes of Carbon, Water, and Geotracers in Paleoclimate Research

26-28 August 2013, Bern, Switzerland

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/318-open-science-conference-on-isotopes-of-carbon-water-and-geotrace>

SEPTEMBER

11th International Conference on Paleoceanography (ICP11)

1-6 September 2013, Sitges-Barcelona, Spain

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/182-icp11>

12th International NCCR Climate Summer School

1-6 September 2013, Grindelwald, Switzerland

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/267-nccr12>

OCTOBER

Holocene Circum-Arctic Peatland Carbon Dynamics: Community-Wide Data Synthesis and Modeling Initiatives

12-16 October 2013, Bethlehem, Pennsylvania

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/354-holocene-arctic-peatland-carbon-dynamics-workshop>

► DEADLINES FOR UPCOMING PAGES SUPPORTED MEETINGS

Paleofire data synthesis using R: A global paleofire working group workshop

2-6 October, 2013, Besançon, France

Registrations close: 22 July. Partial support may be available to offset travel costs.

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/351-workshop-paleofire-data-synthesis-using-r>

PALSEA 2013 Workshop: Estimating rates and sources of sea-level change during past warm periods

21-24 October 2013, Rome, Italy

Abstracts close: 15 June 2013.

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/325-sea-level-change>

Joint workshop with PAGES 2k network & PAST2k-PMIP: Integrated analyses of reconstructions and multi-model simulations for the past two millennia

4-6 November 2013, Madrid, Spain

This open call workshop will be devoted to the analysis of reconstructions and multi-model simulations of the past two millennia and will blend the PAGES2K and the PMIP3 communities. Early career scientists are especially encouraged to apply. Funding is available for some applicants. **Deadline: 1 August 2013.**

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/353-2k-and-past2k-workshop-pmip>

Ramsar Wetlands: Detecting Change in Ecological Character

6-8 November 2013, Queenscliff, Melbourne, Australia

Abstract deadline: July 31, 2013

Registration deadline: August 31, 2013

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/307-ramsar-wetlands>

PMIP Ocean Workshop 2013 - Understanding Changes Since the Last Glacial Maximum

4-6 December 2013, Corvallis, Oregon, USA

Deadline for registration, abstract submission, and application for travel support: Aug. 31, 2013

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/301-pmip-workshop>

9th International Conference on Dendrochronology

13-17 January 2014, Melbourne, Australia

Abstract submission deadline: 30 August 2013

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/360-9th-international-conference-on-dendrochronology>

Age Models, Chronologies, and Databases

13-16 January 2014, Belfast, Northern Ireland

This workshop aims to develop strategies for updating chronologies in a semi-automated manner for paleo databases given new criteria.

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/356-age-models-chronologies-and-databases>

PAGES Focus 4 workshop: Towards a more accurate quantification of human-environment interactions in the past

3-7 February 2014, Leuven, Belgium

This workshop aims to provide such a platform to share data, results and ideas on how to quantify past human-environment interactions.

Deadline for abstracts: 20 October 2013

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/355-pages-focus-4-workshop-feb-2014>

Culture, climate and environment interactions at prehistoric sites

International conference on culture and climate hosted by The University of Bern, Institute of Archaeological Science, The Oeschger Centre for Climate Change Research and PAGES
11-14 June 2014, Bern, Switzerland

Deadline for registration and paper and publication submission: 1 February 2014

Read more: <http://www.pages-igbp.org/calendar/upcoming/1-pages/357-culture-climate-and-environment-at-prehistoric-site>

► OSM 2013 PLENARY TALKS NOW ON YOUTUBE

Eight of the OSM plenary talk videos (with accompanying powerpoint slides) are now on our YouTube channel (<http://www.youtube.com/user/PastGlobalChanges>). So if you didn't make it to Goa or you want to relive the experience just click on the links below.

David Sauchyn: Extending baseline hydrology from decades to centuries: Implications for water resource engineering
<http://www.youtube.com/watch?v=FijiYtHlKHw>

Anil Kulkarni: State of the Himalayan cryosphere
<http://www.youtube.com/watch?v=TLajaew36Y>

James Syvitski: Rivers and deltas in the Anthropocene
http://www.youtube.com/watch?v=915qULJ_ZQQ

Jessica E. Tierney: Indo-Pacific climate during the Common Era: New perspectives from land and sea
<http://www.youtube.com/watch?v=LcslFU0r1Z0>

Martin Claussen: Tipping points in biogeophysics
<http://www.youtube.com/watch?v=wJVwdTxhng4>

Martin Visbeck: Selected topics on ocean dynamics in the wider context of climate variability and global sustainability
<http://www.youtube.com/watch?v=OxU6fke4B80>

Martin Jones: Food economics in (pre-)historical times
<http://www.youtube.com/watch?v=lyd5yAp4xDI>

Kathy Willis: Climate change and biodiversity
<http://www.youtube.com/watch?v=2xpuExa3qWk>

► PAGES AND PALEO SESSIONS AT THE 2013 AGU FALL MEETING

The 2013 AGU Fall Meeting takes place from 9-13 December, 2013 in San Francisco, USA.

As always, there will be many PAGES relevant sessions, particularly in the Paleoceanography and Paleoclimatology group (PP); specific sessions supported by PAGES or arising from WG activities include:

Climate of the Common Era (PP004) <https://fallmeeting.agu.org/2013/scientific-program/session-search/sessions/pp004-climate-of-the-common-era/>

Environmental and climatic changes on a human time scale - Varves and other high-resolution sedimentary records with up to decadal resolution (PPO09)
<https://fallmeeting.agu.org/2013/scientific-program/session-search/sessions/pp009-environmental-and-climatic-changes-on-a-human-time-scale-varves-and-other-high-resolution-sedimentary-records-with-up-to-decadal-resolution/>

The deadline for AGU abstracts is 6 August 2013. For more information see: <https://fallmeeting.agu.org/2013/>
