## EDITORIAL

55 **Climate change and cultural evolution across the world**  
Claudio Latorre, J.M. Wilmshurst and L. von Gunten

## SCIENCE HIGHLIGHTS: CLIMATE CHANGE AND CULTURAL EVOLUTION

56 **Climate change and social complexity in the Atacama Desert in the Late Quaternary**  
Antonio Maldonado, C.M. Santoro and Escallonia members58 **Late Quaternary megafaunal extinctions in southern Patagonia**  
Natalia A. Villavicencio60 **The end of the Holocene Humid Period in the central Sahara and Thar deserts**  
Andrea Zerboni, S. Biagetti, C. Lancelotti and M. Madella62 **Global megadrought, societal collapse and resilience at 4.2-3.9 ka BP**  
Harvey Weiss64 **Human-environment interactions in Chaco Canyon and the American Southwest**  
Julio L. Betancourt and Christopher H. Guiterman66 **Climatic changes and collapses in Maya history**  
Tim Beach, S. Luzzadder-Beach, N. Dunning and D. Cook68 **Climate change and human impact in Macaronesia**  
José María Fernández-Palacios, S. Nogué, C. Criado, S. Connor, C. Góis-Marques, et al.70 **Climate changes and cultural shifts on Easter Island during the last three millennia**  
Valentí Rull, N. Cañellas-Boltà, O. Margalef, S. Pla-Rabes, A. Sáez and S. Giral72 **Fires: the main human impact on past environments in Patagonia?**  
Andrés Holz, C. Méndez, L. Borrero, A. Prieto, F. Torrejón and A. Maldonado

## PROGRAM NEWS

74 **DAPS - Paleoclimate Reanalyses, Data Assimilation and Proxy System modeling**75 **EcoRe3 - Resistance, Recovery and Resilience of Long-term Ecological Systems**

## WORKSHOP REPORT

76 **A cross-disciplinary initiative to analyze past floods**77 **PlioVAR marine synthesis update meeting**78 **Interdisciplinary views on the impacts of volcanic eruptions: from global to personal**79 **Fire, climate and biomes - towards a better understanding of this complex relationship**80 **Sea-level budgets to bridge paleo and instrumental records**81 **Uncovering the past: multidisciplinary research on historic land cover and land use**82 **Methods and techniques for Quaternary paleoenvironmental reconstruction**83 **CLIVAR looks to the future at conference marking 20th anniversary**
