PAGES Zaragoza 2017

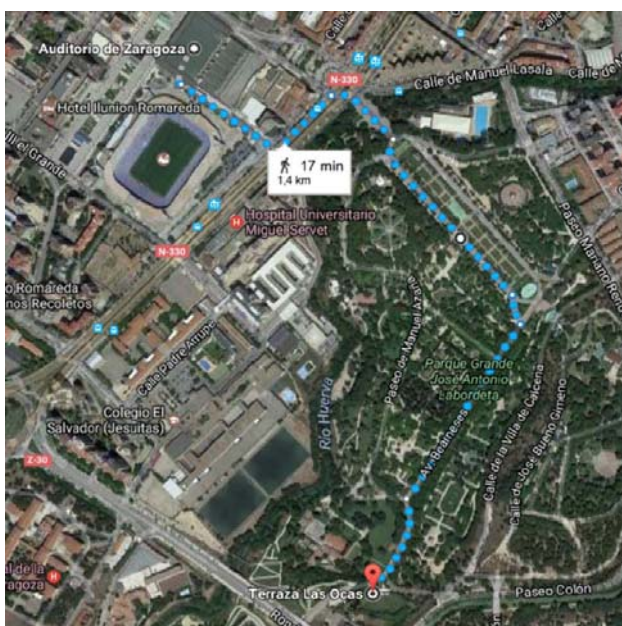

5th Open Science Meeting

Global Challenges for our Common Future:
a paleoscience perspective

Let's kick off the 5th OSM with the already well-known PAGES Soccer Cup in one of the **best places of Zaragoza to chill out**: **"Las Ocas" terrace bar**.

Everyone will be welcome to play or join the event as either players or fans and enjoy what we expect to be an unforgettable evening from your stay in Zaragoza!!!

Date and time:

Wednesday, 10th May
2017, kick-off is at 19:30h

Venue: "Las Ocas" terrace
bar

Teams (the match will be
as usually defined at
PAGES events): **Proxies** vs
Modellers

"Las Ocas" is located at Zaragoza's central park "José Antonio Labordeta", just behind the conference venue (Auditorium of Zaragoza, C/ Eduardo Ibarra, 3), and the whole distance between both sites is around **15 minutes walking** across the beautiful park.

Besides being a fashionable venue in Zaragoza, "Las Ocas" has a long tradition in organizing different kind of social events, including sport activities and exhibitions.

Considering that "Las Ocas" is a **well-known place in the social agenda of the city**, we hope that the celebration of the soccer cup here can be an **opportunity to publicize the OSM PAGES meeting in Zaragoza**.

The LOC of the OSM will offer you the **first beer for free, and then "Las Ocas" a great discount of 2€ per beer or soft drinks**. In addition, special prices will be available at the bar for all the OSM attendees (10% discount).

Stay tuned to PAGES website for more details on the match rules and any updates! Come to play because it will rock!
