#### **4) ECN and SSC**

Tamara Trofimova will remain as the ECN representative on the SSC until the end of 2022

#### **5) News**

- The OSM/YSM will be online in May 2022
- The next SSC meeting will take place from 30 May to 3 June 2022, to be held in person in Europe if the situation allows (to be decided closer to the date)
- The 2021 International Mobility Research Fellowship Program (Fellowships to promote mobility of early-career researchers from Africa within Africa/Latin American and the Caribbean regions within the same regions) have been established. If successful these could be extended to other parts of the world

#### **6) Future Earth update**

The Future Earth restructuring process is underway; Marie-France Loutre and Michael Evans attended the meetings on 29 and 30 September. Members of the Ocean KAN have contacted PAGES to ask about potential collaboration.

#### **7) PAGES fellows**

Decision to establish PAGES fellows

#### **8) Other items**

Mike Evans and Katrin Meissner will rotate off of the EXCOM and SSC at the end of 2021; Paul Valdes and Boris Vanni ere will join the EXCOM starting at the beginning of 2022. Marie-France Loutre warmly thanked them for their involvement during the last six years.
