ARRANGEMENT TO EXTEND
THE SCIENTIFIC PARTNERSHIP
BETWEEN THE
NATIONAL OCEANIC AND ATMOSPHERIC ADMINISTRATION
NATIONAL CENTERS FOR ENVIRONMENTAL INFORMATION
AND THE
PAST GLOBAL CHANGES PROJECT

The National Oceanic and Atmospheric Administration (NOAA) National Centers for Environmental Information (NCEI) Climate Science and Services Division, World Data Service for Paleoclimatology (WDS-Paleo) and the Past Global Changes Project (PAGES), hereinafter referred to as the “Participants”;

Recognizing the fruitful collaboration that the Participants have conducted pursuant to the Scientific Partnership arrangement, signed by NCEI on November 30, 2018, and May 8, 2019, and signed by PAGES on May 14, 2019;

Seeking to continue the collaborative work already in progress under the Scientific Partnership arrangement;

Considering that the Scientific Partnership arrangement will expire by its terms on May 14, 2024;

Intend as follows:

Section 1: Extend the term of the Scientific Partnership arrangement for an additional five-year period, through May 14, 2029, effective on the date of signature by all Participants, in accordance with Section 6.1 of the Scientific Partnership arrangement.

FOR NATIONAL CENTERS FOR ENVIRONMENTAL INFORMATION:

Deke Arndt
Director,
for National Centers for Environmental Information

Date: ______________________
United States
